1900

**Church starts at 9:30 am**

## Watson Baptist Church info:

We welcome you to come visit Watson Baptist Church! Bring the children along and come visit us! Children message will be given, and they get to go next door for more fun activities as well.

Pastor Tom Beutler gives the sermon. If you're interested in hearing what a sermon is like, try going to <http://www.watsonbaptistchurch.com/sermons.html> and check them out for yourself. Mp3 versions of the sermons can be found there.

Watson Community Outreach has suppers and community gatherings to help those in need so visit the site and come show your support for the Watson community and surrounding area! We are the ones that have to show God's love and step up to take care of each other!

Contact Pastor Tom at [beutler@rpt.coop](mailto:beutler@rpt.coop) for prayer request updates and additions, as well as Outreach info. You can visit us at our website as well. <http://www.watsonbaptistchurch.com>

We also have a prayer list to lift problems to the lord and hopefully put the power of prayer to work for all of us. It's updated at church or contact Pastor Tom for additions!

## The Outreach

Watson Community Outreach is a program of the Watson Baptist Church. It is not a hand out, but offers a helping hand in the community for those who need it. We have benefits, auctions, suppers, and raffles to raise money for those who have serious illnesses, accidents, or just down on their luck.
